Estate grown premium wines don't just happen overnight!

Passion. Quality. Hand-crafted. Natural. These are among the values to which we are committed at Whispering Brook. Our passion is producing ultra premium quality, hand crafted, estate grown wines which are a natural expression of the 'terroir' – soil, climate, orientation and seasons combining to produce wines of distinction.

We are a boutique, family owned winery. Red wines are produced from the highly prized terra rossa soils on the property whilst the sandy loam soils located near the Wollombi Brook are ideal for producing premium white wines.

The vineyard and cellar door are complemented by a charming olive grove and country house accommodation. We invite you to take some time out, soak up the atmosphere, enjoy premium wine and olive products and experience all the Hunter Valley has to offer through our Brook Cellar Club.
